

KWS NSW SIGN UPDATES 2020

Sign updates will look a little different this year!

Sign updates for KWS Australia professional members (located in NSW) will take place online and consist of multi-components. The 2020 sign update will focus on a sign refresher, sign fluency and exploring solutions to scenarios coming up in your workshops!

There are two sign updates to choose from including:

Option 1: Wednesday 29 July & 5 August, 5.30-7pm (limited spaces) + an independent task

Option 2: Thursday 22 October & 5 November, 5.30-7pm + an independent task

Please contact committee@kwsnsw.com if you have any questions or seeking further information
